Re: Response to Objection

Case Number: 24-11649 (SunPower Corporation)

Title of Objection: Plan Administrator's First Omnibus Objection to Claims

Dear Honorable Court,

I am writing in response to the Plan Administrator's objection to my claim in the above-referenced case. Below, I provide the required details in accordance with the guidelines set forth in the objection notice:

1. Claimant Name and Description of the Basis and Amount of the Claim:

My name is Dorma Bruce, residing at 617 East 77th Street, Brooklyn, NY 11236. The claim pertains to damages caused by SunPower Corporation as follows:

- Damage to the roof of my property after SunPower Corporation removed equipment, totaling \$20,000 in repair costs (documented in my claim).
- A loan taken out by SunPower Corporation with TCU for \$38,869.04, which remains unresolved and for which I request resolution to prevent a lien on my property. (Balance documented in my claim)

2. Statement of Reasons Why the Claim Should Not Be Disallowed:

My claim is based on documented physical damages to my property and the outstanding loan issue. These issues directly resulted from SunPower Corporation's actions.

Specifically:

- The equipment installed caused severe roof leaks.
- The removal of the equipment further damaged the roof, requiring significant repairs.
- The loan with TCU, initiated without my consent or knowledge, poses an ongoing risk of a lien on my property.

3. These claims are supported by factual evidence and are legal liabilities of the debtor, SunPower Corporation.

4. Supporting Documentation/Evidence:

- Receipt for roof repairs (\$20,000).
- Letter from TCU regarding the loan and potential lien.
- Previous correspondence submitted as part of the proof of claim.

5. (All attached to my initial proof of claim)

6. Claimant's Contact Information:

Sincerely,

Dorma Bruce
